

HEARTS BEYOND BORDERS

Dear Sponsors,

Thank you for your consideration in supporting *Hearts Beyond Borders* on our upcoming Medical Mission Trip to Romania. We are honored to be creating opportunities for future nurses, doctors, and healthcare professionals to serve communities with limited access to medical resources and care.

During our time in Romania, we will be visiting multiple schools, ranging from kindergarten through high school, to provide education on important health topics including hand hygiene, smoking prevention, sexual education, domestic violence awareness, and the importance of physical activity. We plan on donating school supplies, sports equipment, and art tools to enhance and create new programs in the village. In addition, we will be visiting a nearby community that supports orphaned children, adolescents, struggling mothers, and the elderly. There we plan on working closely with their team to support their endeavors in building housing for the residents, providing meals, sending the children to school, and hosting activities for the kids.

Our team will also visit a local nursing home, where we aim to foster meaningful connections and promote intergenerational engagement. By encouraging youth involvement in supporting elderly populations, we hope to help combat loneliness and strengthen community bonds.

Looking ahead, *Hearts Beyond Borders* is committed to expanding its impact, with the long-term goal of helping to establish a local clinic equipped with essential medical resources to better serve the community.

We invite you to partner with us in representing the compassion and dedication of healthcare professionals across the United States by becoming a sponsor. As a token of our appreciation, all sponsors will have their name and/or logo featured on our sponsorship t-shirts, which will be worn by participants throughout the mission.

If you choose to support our efforts, please complete the form below and select the sponsorship option that best suits you. Thank you again for your generosity and support.
